

First Love

D

I can labour day and night

Bm

And give my life as a sacrifice

Em A D

But without a first love, I've missed it all

D

A pure devotion with my life

Bm

To count all loss, that I may know Christ

Em A D

O to have a first love, is worth it all

Chorus:

G

To seek You, Lord

A

To know Your ways

D Bm

To have fellowship in the quiet place

G

To hear Your voice

A

To know Your heart

D Bm

That's what it means to choose the better part

Em A D

O without a first love, I've missed it all

Keep me from the thorns of life
Pleasures and cares, my own desires
Let this heart be fruitful, and rest in You
I lay this vessel at Your feet
Empty and broken there's hope for me
Jesus be my portion, my all in all
