

## **I Open Up My Heart**

**I open up my heart  
And draw near to You Lord  
Please wash my dirty feet  
Humbly I bow and pray  
I call upon Your name  
Lord, come deliver me**

### **Chorus:**

**I come into Your light  
My sin I will not hide for I want to be clean  
When temptation comes my way  
Help me to stand in faith so that I will not yield**

**When sin lies at my door  
I know Your greater Lord  
Than he that's in the world  
And I must master it  
By grace I will resist  
And choose this day whom I'll serve**

### **Bridge:**

**Father, keep me from temptation  
Father, I need your grace to stand  
Father, deliver me from evil  
Give me a hatred for my sin**

**How can I keep my way  
Clean and pure this day  
By taking heed to Your word  
I'll hid Your word within  
That I might not sin  
And please the one whom I serve**
