

Jesus My Saviour

Key of E or Eb (capo 3 in C)

E(C) A(F) E(C) B(G)
Jesus my Saviour and Jesus my friend
E(C) A(F) B(G) E(C)
As a Shepherd You lead me to life without end
E(C) A(F) E(C) B(G)
As Your sheep I must listen, to hear Your still voice
E(C) A(F) B(G) E(C)
To green pasture You'll take me, where there's rest for my soul

E(C) A(F) E(C) B(G)
When the enemy buffets, and tries to bring lies
E(C) A(F) B(G) E(C)
I will stand firm in faith, and hold that shield high
E(C) A(F) E(C) B(G)
As an angel of light, he will try to disguise
C#m⁷(Am⁷) A(F) B(G) E(C)
But I'll study Your word, and the truth recognize

Chorus:

E(C) A(F) E(C)
You are the way and the truth and the life
E(C) B(G)
Jesus You've risen, O You are alive
C#m⁷(Am⁷) A(F) E(C) B(G)
You are seated in heaven, and in You I abide
C#m⁷(Am⁷) A(F) B(G) E(C)
O I thank You for laying Your life down for mine

You have clothed me in garments, You have clothed me in white
I put on the Lord Jesus, and the armour of light
I demolish all things against God lifted high
And take every thought captive to obey the Christ

When I trust the Lord Jesus, my roots will spread out
And I need not be anxious in the year of drought
Why should I worry, I cannot do the least
But through prayer and thanksgiving You will meet every need
