

What You've said to me!

If You say I am, a child of God
Should I ever fear, being unloved?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

If You say You delight, and rejoice over me
Should I doubt, if You are pleased with me?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

If You say I can come, with boldness to You
Should I refrain, from running to You?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

If You say I am loved, by the Father above
Should I fear, being abandoned by love?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

If You say I am, a new creation in Christ
Should I live like I've not, been given new life?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

If You say I am, forgiven this day
Should I have guilt, and try to repay?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

If You say I'm a saint, holy and pure
Should I call myself, a sinner anymore?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

If You say I am, truly righteous indeed
Should I live life in shame, constantly?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

If You say I have peace, through Your own Son
Should I doubt, Your great salvation?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

If You say You'll finish, the work You began
Should I doubt I'll become, a Christ-like man?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

If You say I'm a temple, You choose to dwell in
Should I do anything, to defile it within?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

If You say I am strong, and can do all things
Should I doubt through You, I can handle anything?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

If You say I have power, discipline and love
Should I fear difficulties, allowed from above?
Your word is true, I choose to believe!
No more doubting, what You've said to me!

*Your word is true, I choose to believe!
You are **faithful**, and You **love** me!*
